## **Self Affirmations**

— Increase your confidence through your faith in God and what He says about you

These affirmations are strategically crafted for women who desire to think, speak and act more like Jesus Christ and become who God created them to be. You are destined for GREATNESS!

When you accept Jesus Christ as your Lord and Savior and wholeheartedly submit to God's Kingship as the owner and authority of every aspect of your life, you become God's daughter and a citizen in the Kingdom of God. As you remain obedient to His Will and Take ACTION in your lane, He will provide everything you need to accomplish His purposes.

At the root of every decision you make is your perceived identity, what you believe about who you are, what you deserve and your potential. For too long your identity has been shaped by any and everything except The Word of God, and it's time to change that! It's your responsibility to meet yourself where you are and nourish your spirit with God's Word.

The greatest weapon any one can use against you is self-doubt. Self-doubt includes low self-esteem, a negative self-concept and a low sense of personal worth and value. — So, it's your responsibility to instill self-confidence in yourself and the people you interact with. This includes high self-esteem, a positive self-concept and a high sense of personal worth and value.

Use these affirmations daily as a tool to intentionally shape your own perceived identity and align it with what God says about who you are, what you deserve and your potential.
